STATE BOARD OF CONTROL

Beaulieu, Minnesota
June 21st-1925

Mason (6785)

C J Swendsen, Chairman
State Board of Parole,
Saint Paul, Minnesota

Dear Sir:-

As per the attached I interviewed Judge Nelson at
Worthington some time ago and he wrote his opinion re-
garding Max Mason (6785) and the same was forwarded to you.
I saw Mr Mason M Forbes, the prosecutor on June 12th and
his recommendation in writing, is herewith attached.

Mr Forbes is very well known in northern Minnesota
and elsewhere and has considerable influence among members
of the bar. He is not altogether in accord with the
indeterminate sentence law or the Board of Parole and I
would respectfully suggest that Mr Forbes be asked to
attend a session of the Parole Board at Stillwater. He
is not all backward about expressing his views and I am sure
he has the wrong impression as to the functioning of the
Board of Parole.

Respectfully yours,
